

ONE-TIME FREE SESSION

FREE Taster Session

For students & graduates. Spend two hours seeing how AI, data, cloud and project-based learning can make you career ready — before you commit to anything.

£0
NO COST

DATE

**Saturday
29 August 2026**

TIME

**11:00 AM
– 1:00 PM**

FORMAT

**Online
Live Session**

REGISTER BY

**28 August 2026
11:00 PM**

WHAT YOU GET IN TWO HOURS

Try the Dystil Students experience, free.

AI Career Awareness

How AI is becoming part of real workplace roles — and what that means for you.

Mini AI Demo

See AI tools used live for planning, research, summaries and workflow tasks.

Project Preview

The kind of guided projects that build portfolio evidence and interview stories.

Career Pathways

Routes into AI, data, cloud, cybersecurity and workplace technology.

Startup Builder

How students shape ideas, use AI tools and build early-stage prototypes.

Live Q&A

Ask anything about timings, projects, certificates and your right next step.

LIMITED FREE SEATS

Scan to reserve your free seat.

Registration closes **11:00 PM on 28 August 2026**. Fill in the short form and our team will confirm your place with the session joining details.
